Hermes Netburn attorneys are back on the bikes to head off homelessness in the 2022 ICycle event! With shareholder John R. Felice leading the team, the firm's crew rides on February 17th outside of Boston's One International Place. Over the course of many years, Hermes Netburn joins other Bostonians for the mid-winter, outdoor spin classes to raise money for HomeStart's work to end and prevent homelessness. This event is a spin bike marathon, taking place outside in the bitter New England cold, a not-so-subtle reminder that not everyone has the comforts of a warm home. Hermes Netburn is proud to be part of this event again this year, riding to raise money.
