(Boston, MA – January 6, 2016) Anthony J. Sbarra, Jr. was the moderator of a webinar entitled “Current Issues in Asbestos Litigation – Mesothelioma: A Causation Debate.” The webinar was presented by the American Bar Association’s Tort Trial and Insurance Practice Section. Tony is the Chair of the Section’s Products Liability Committee which sponsored the event. He led a lively discussion among and between nationally known and experienced trial attorneys from both sides of the bar. The webinar was very well attended and provided the registrants with keen insights regarding whether “low dose” and chrysotile only exposures are capable of causing disease.

American Bar Association – Tort Trial & Insurance Practice Section (TIPS): A source of knowledge and leadership on trial practice and critical issues of justice that involve tort and insurance law. TIPS is unique within the ABA and the legal community because of our focus on balance and diversity, bringing together plaintiffs, defense, corporate and in-house counsel to tackle issues confronting our profession. TIPS enriches the tort, trial and insurance fields of law through CLE programs, comprehensive periodicals, cutting-edge publications, and innovative online resources.
