(Chicago, IL – June 27, 2016) Anthony Sbarra gave a presentation at the American Conference Institute's Asbestos Claims & Litigation Seminar on June 27, 2016 in Chicago, IL. Tony's presentation was entitled "Component Part Supplier Claims and Asbestos Equipment Litigation – The Bare Metal Defense: Dispatches from the Front." Tony and Attorney Jim Lowery from the Dallas office of Gordon & Rees discussed the most recent cases on the topic and featured highlights from the most recent appellate arguments from around the country.

American Conference Institute – ACI – A unique organization, is devoted to providing the business intelligence that senior decision-makers need to respond to challenges both here in the US, and around the world. Staffed by industry specialists, lawyers and other professionals, American Conference Institute operates as a think tank, monitoring trends and developments in all major industry sectors, the law, and public policy, with a view to providing information on the leading edge. Headquartered in New York and led by Seth Kerker, Managing Director, American Conference Institute has grown to produce more than 150 events each year, attended by thousands of senior delegates from across the country.
