### June 24, 2015

(Chicago, IL – June 24, 2015) Anthony Sbarra spoke at the American Conference Institute's 19th National Advanced Forum on Asbestos Claims & Litigation in Chicago, IL on June 24, 2015. The seminar was attended by attorneys and claims professionals from throughout the country. Tony shared insights on recent court rulings regarding expert medical causation opinions, including theories for and examples of effective cross-examination techniques.

American Conference Institute – A unique organization, is devoted to providing the business intelligence that senior decision-makers need to respond to challenges both here in the US, and around the world. Staffed by industry specialists, lawyers and other professionals, American Conference Institute operates as a think tank, monitoring trends and developments in all major industry sectors, the law, and public policy, with a view to providing information on the leading edge. Headquartered in New York and led by Seth Kerker, Managing Director, American Conference Institute has grown to produce more than 150 events each year, attended by thousands of senior delegates from across the country.
